Mighty Oaks OMS + POS

Mighty Oaks and Logivision are pleased to announce a new agreement in which Mighty Oaks will be able to offer L-POS and L-BOSS to its existing customers. Under the agreement Mighty Oaks will provide all direct customer support for an integrated solution.

Based on over 30 years and 5,000 installations, the L-POS/L-BOSS is in use with both independent and large national retailers, with full support for multi-lane and multi-store operations.

L-POS is designed for rapid and high-volume transactions typically found in grocery, liquor, convenience and specialty retail. L-BOSS provides back-office file management functions as well as purchase order and inventory management. For multi-location operations the L-BOSS Corporate provides central head-office management.

Available through monthly or annual subscriptions.
